SHOOTING EDITING PRODUCER DIRECTOR. Int Ed.

## About

I have helped Produce and Direct 100+ hours of television since graduating Bournemouth Film School in 2001. Some of these Films/Series have won awards including BAFTA, BANFF, Bulldog, Broadcast, Rose d'Or, CDN, AIB, Press Guild, and most recently an RTS (Craft) Award. They've also received nominations from the Grierson Trust, RTS, BAFTA and Broadcast, to name a few and I personally was nominated as a Broadcast Young Talent as well (but that was a long time ago now).

2020 saw the return of a new series of the BBC1 BAFTA award winning *Ambulance* made by Dragonfly, *SAS Who Dares Wins* and *Celebrity SAS WDW* also made a triumphant return for Minnow and C4. A new C4 series called *The Bridge* for WorkerBee was made mid Pandemic, and of course our RTS Craft Award winning ITV series *Tyson Fury: The Gypsy King* also aired. **\*\*NEWS\*\*** Just joined Paul Martin and James Gay-Rees and the incredible team at **Box to Box** to film the *World Surfer League* in 2021 for Apple TV working title *'Make or Break'!!!!!!*

One of the most watched C4 docs of recent years

Groundbreaking series about multi-cultural Britain and who we are

Bit of a cult classic filmed on location at a camp hill community in Botton North Yorkshire

'Camouflaged beneath all this (masculinity) is an important message. Bravo (Two Zero).' The Guardian

**The Strangest Village in Britain** 'Compelling Documentary'
